Since

Founded and established in Jerusalem, our company Vehaer specializes in the manufacture of candles with olive oil and beeswax. We offer a multitude of products such as candles, night lights, lanterns, or floating wicks, this has various dimensions, colors and formats. Vehaer's goal is to illuminate every Jewish home throughout the year and especially during the Hanukkah festival, as well as to make our guests' experience as unforgettable as possible. From the meticulous choice of raw materials and olive oil, to the careful and meticulous selection of colors and design of each of our ranges, our team is committed to offering everyone an exceptional product that will water light and amaze a multitude of families around the world.

Our know-how as well as the high quality of our products make us the world leaders in Hanukkah candles and floating wicks. All our olive oil products are handmade. At Vehaer, nothing is left to chance when it comes to providing exceptional and very high quality products to our consumers!

The very first Vehaer candle was created in 2014, and since then we have quickly become the most popular candle supplier in the Middle East and Europe by the grace of Hashem. Our primary goal is the total satisfaction and delight of our customers. That's why we are constantly working to ensure the perfect quality of each of our products, and to expand our ranges, in order to provide everyone with a wide range of candles and accessories, in all price ranges. With their superior quality and constant innovation, Vehaer candles make their Aura shine around the world, and will continue to flood Fireplaces of exceptional light.
